COMPANY OVERVIEW

Established in 1999 INKAS® Safe Manufacturing is a Canadian owned and operated company located in the North end of Toronto, Canada. Our manufacturing state of the art facility consists of 60,000 square footage of space, along with our extraordinary team of experts such as our engineering and operations department.

INKAS® builds luxury and customized safes for retailers, government agencies, financial institutions, jewellery stores, pharmaceutical chains and anyone who needs to protect their valuables. Our safes are divided into five categories:

- **Burglary Rated** for personal or retail use
- **Depositories** for commercial retail chains
- **Super Tuff** for pharmaceuticals and corporate offices
- **Xcalibur TL30** for Insurance Agencies, Jewellery Chains and Government Agencies
- **Custom Safes** for Gun Protection, Police Divisions, Personal Possessions and Corporate Offices

INKAS® markets these safes through a network of 2,000 locksmiths, 1000 safe technicians, 50 Dealers and Distributors located across North America. INKAS® knows how to protect what is important to you. Honesty, Integrity and Accountability is the foundation of our efforts and Customer Service is our “State of Mind”.
